Dear Parents/Guardians,

Due to the current Covid-19 pandemic, our stores have been closed since March 16th, and we hope to reopen on June 8th, subject to public health guidelines. As we re-open our doors our shops will look very different. It will be a new working and shopping environment for everyone. For back-to-school 2020/21, uniforms will be available to purchase online and also in-store. For the health and safety of our customers and staff, we would ask, where possible, that uniforms would be purchased online.

ONLINE SHOP: www.ofarrellschoolwear.com

Our online store is fully operational and open year round. Orders are usually processed and dispatched within 2-5 working days. We fully understand that an incorrect size may be ordered. Don't worry. If this happens please email us at info@ofarrellschoolwear.com with your preferred sizes and we will reserve these for you. We have an extended returns policy due to Covid-19

IN-STORE

To maintain social distancing, we will be implementing the following measures:

- Social distancing within the store and while queuing outside
- Limiting the number of customers in-store (this will unfortunately result in longer queuing times)
- Our opening hours may vary to facilitate deep cleaning
- Request each customer to use the available hand sanitizer upon entry.
- Staff will be wearing a face shield/face covering
- Each customer will have a staff member allocated to them for the duration of their visit in order to assist them, in the most efficient manner possible
- If not shopping alone, we would ask parents/guardians, where possible, to bring as small a family unit as possible to the store.

Thank you for your cooperation and patience with these new measures during the Covid-19 pandemic

Stay safe,

The O'Farrell Schoolwear Team
