

## Newsletter July 7<sup>th</sup> 2021

Dear Parents / Guardians:

This day last week we closed for the summer holidays. I hope that after one week you're all getting on ok and not wising we were open!!

Please check out in **GALLERY** on our website:

- \* Super Attendance prize winners
- \* Ice-Cream morning
- \* 2<sup>nd</sup> class Graduation video montage
- \* Lots of photos from the children's last week at school.....and during the year.

### **HOT FOOD from September 1st**

If you didn't return the **CARAMBOLA HOT FOOD MENU** form to your child's teacher, please look at it again in and get in contact with Audrey in **CARAMBOLA** so that she can sort out your child's food choices from the 1<sup>st</sup> September.

Remember, there are no more sandwiches but instead a hot lunch every day from September 1st. We are so lucky that our school is being funded for this. It costs thousands of €€€.

Contact Audrey on 086 1075617

[Audrey.hennessy@carambola.ie](mailto:Audrey.hennessy@carambola.ie)

Click on **OUR SCHOOL** → **CARAMBOLA LUNCH** for the menu

If you didn't return the form to your child's teacher he/she will get the default hot lunch 'chicken curry' until you sort with Audrey.

All nutritional information on the hot meals can be found on [www.carambola.ie](http://www.carambola.ie)

### **First Communion Disappointment once again:**

We said good-bye to each other at the 2<sup>nd</sup> Class Zoom Graduation saying we would see each other again on the 17<sup>th</sup>. Alas the Government have cancelled all sacraments so parents, children, families and teachers are now wondering when it will happen.

### **Major Summer Works Project**

Our school has received funding from the Department of Ed. to upgrade our Fire Safety and Electrics. They are in a 'sorry state'. All classrooms only have one single socket that everything is plugged into and our Fire Safety is dismal. We hope to start this major project in two weeks when all the tendering and paperwork is complete.

Next year we hope to tackle our roof and plumbing. I've spent the past 3 days emptying buckets and containers in the halls and classrooms as the heavy rain caused a lot of leaking. In one classroom the water is running down the walls. Hopefully the rain will ease!!

I'll keep you posted over the summer if anything important happens. In the meantime have a lovely break with your children and enjoy being free from school☺ **A. Plunkett**
