

Good Afternoon All

We are very excited to be returning to in-person delivery of Triple P parenting programmes. Spaces will be limited and we will have strict procedures in place to ensure that participants and facilitators are safe. We will still maintain a mix of online and in person programmes so parents can chose the programme that suits them best. As restrictions are lifted we will extend our provision of in-person programmes.

Group Stepping Stones Triple P is suitable for Parents or caregivers of children with a range of additional needs (e.g., intellectual disability, autism spectrum disorders, cerebral palsy, or waiting for assessment) who have concerns about their child's behaviour or who wish to learn a variety of parenting skills that will promote their child's development and potential.

Our next Stepping Stones Group will take place on Wednesdays from September 22nd to November 10th from 6.00 p.m. – 8.30 p.m.
