Dear Parent/Legal Guardian,

Many thanks for completing and returning the vaccination consent forms for your child who is in Junior Infants. Unfortunately this year we are not in a position to offer the school vaccination programme within the school setting.

However, the Vaccination Centre at the National Show Centre, Stockhole Lane, Cloghran, Swords, K67 VF43 has been made available to us during the **Mid-Term Break 22nd – 27th February 2022**. Parents/Legal Guardians who have already consented to the vaccinations (4in1 & MMR) for their child will receive an appointment by text to have their child vaccinated at the National Show Centre.

If you are unable to attend within this timeframe we will offer an opportunity to arrange the vaccinations at a later date.

- **Please note that there is a time interval of 14 days between the Covid-19 Vaccine and 4in1 & MMR. If your child has received a COVID-19 Vaccine in the previous 14 days from their appointment, please let us know and we will arrange an alternative date.**
- **There is no need to wait after a COVID-19 infection provided the child has finished the recommended isolation time and is feeling well.**

On the day of the vaccination we ask you to observe the following:

- Child needs to be well, wear a short-sleeved top and have eaten their breakfast/ lunch before they attend
- Please do not attend if your child or any member of the family has COVID or is awaiting a COVID test result.
- Please bring his/her Childhood Immunisation Passport if possible.

Kind Regards
School Immunisation Team
