28th February 2022

Dear Parent/Legal Guardian,

As you may be aware we held a number of Junior Infant School Vaccination Clinics during the February mid-term break. Unfortunately we were unable to offer an appointment for every child who had returned a consent form.

However, we will be running a number of clinics in March and early April offering appointments to those who did not receive an appointment or could not attend their scheduled appointment during midterm.

We would like to thank you for your queries about the school vaccination programme and offer our apologies for any inconvenience this may have caused.

Kind Regards
School Immunisation Team
