

Quiet Time at Coolock Library

We are delighted to launch our **Quiet Time at Coolock Library.**

Every **Monday**, from **6pm to 8pm**, our junior library will be a quiet space with dimmed lighting, lowered noise, and **reduced sensory triggers.**

Come along and use our Sensory Cubbie, play with our sensory toys, or just relax in one of our comfy chairs and read a book!

Those with additional sensory needs will be prioritised at these times.

No booking required. All are welcome!

Keep an eye on Coolock Library Facebook page for more sensory friendly events.
