

The Pillar Project in Ozanam House, Dublin 1.

One Family, Rainbows Ireland and Ozanam House are working together with the support of Toy Show Funding to roll out Rainbows Groups for children.

Groups start on Oct 17th and will be running until June 2023.

Rainbows Ireland is an inclusive service, supporting children and young people experiencing grief and loss resulting from bereavement/parental separation/parental relationship breakdown /divorce. Attending the programme provides children with an opportunity to meet with other children of a similar age and loss experience.

We will work to engage their parent in a 6-week programme, so they feel more able to support their child following an experience of loss through separation or bereavement.

We are open to all queries - you are welcome to call into Ozanam House on Monday or Tuesday to meet with Roisin for more details also.

Please share this project with your colleagues – there is no catchment area.
